

How to train in the FertilityCare System or in NaProTechnology in Paris

The course is taught in English only (lectures, books, exams).

There are no translators during the classes.

Next training session (Education phase 1) – Paris - France:

Friday 3rd of September to Saturday 11th of September 2010

Maison Ephrem, Guest house of the Basilique of the Sacré-Cœur of Montmartre.

Accommodation available for the participants.

However, Medical Consultants are highly encouraged to attend the 2 training sessions (Education phase 1 and 2) in Omaha.

Receipt of applications preferably before the 30th of June 2010

Additional late fee (US\$ 100) for applications received after 31st of July

No application will be accepted after August 15th

Director of the program:

Angelique Garcia
Director, St Joseph FertilityCare Center
NFP Coordinator, Archdiocese of Santa Fe- New Mexico- USA
angelgarcia@comcast.net
Tel : + 1 505 263 35 09

The session will start on Friday 3rd of September at 10am and will finish on Saturday 11th of September with the closing banquet.

Cost of training for a Teacher Practitioner:

Flow sheet (What to pay, when, to whom): see the last page of this document

To obtain the application form:

- **Teacher Practitioners:** The application form can be downloaded on this website
- **Medical Consultants:** To receive the registration form by email or by post,
tick « **Creighton Model Medical Consultant Application Packet** » on this website
<http://www.popepaulvi.com/educationform.htm>

You can also visit:

<http://www.popepaulvi.com/education.htm>

You must send the application form, a photo, the essay and the letter of reference **preferably before the 30th of June 2010** –

Additional late fee (US\$ 100) for applications received after 31st of July

No application will be accepted after August 15th

The sooner your application is accepted, the more time you have to study!

Write the essay in English yourself.

The Letter of Reference must be written or translated in English. If it is translated, send both versions.

You will be informed if your application is accepted or not.

For Medical Consultants, your application must be accepted by both Dr Hilgers and Angel Garcia.

So, please send also a copy of your application form to angelgarcia@comcast.net

Once your application has been accepted, in order to receive the books, you must pay for them and also pay a deposit towards the Tuition fees (the totality of the Tuition fees must be paid before or on the 1st day of the Education Phase 1).

The payment, by electronic transfer PayPal, must be sent to the Pope Paul VI Institute.

The Text Book “The Medical & Surgical Practice of NaProTechnology” published in 2004 (1230 p.) and essential for the Medical Consultants, is part of the material that they will receive. It is also available on Internet www.naprotechnology.com

NB- You can also train as an “Instructor”: it is a shorter program (7 months instead of 13), essentially for Medical Consultants wishing to enroll in a combined Medical Consultant/Teacher Practitioner Program with a less comprehensive program on the FertilityCare System.

Education phase 2 (Only in Omaha for Medical Consultants).

Omaha (for Medical Consultants): 2nd to 9th of April 2011 (See http://www.popepaulvi.com/PDF/EP%20Booklet_2010-2011_20100216.pdf)

Paris (Teacher Practitioners only): 19th to 24th of March 2011?? To be confirmed

How to prepare for Education Phase 1:

- . A minimum level of English is required, so study and brush up your English!
Otherwise, you won't be able to understand the lectures nor the questions asked at the examination, nor have phone conversations in English (the monthly phone conversations are only for the Teacher Practitioners and the Medical Consultants attending the combined program).
- . You must read the books and get familiar with their content before the beginning of EP1.
So the sooner you apply, the more time you have to study!
- . Know that your evenings during EP1 will mostly be spent studying for the examinations.
- . Women are encouraged to start learning the FertilityCare System for themselves and to start charting before the beginning of EP1. It makes the studies easier!
To receive the material, contact us cguindon@fertilitycare.net.
Then, you will have regular phone calls (or skype conversations) with a French-speaking Teacher Practitioner in Canada, who will help you with your observations and the charting.
(The Teacher Practitioners are paid about € 45 per appointment).

Same thing for Education Phase 2:

Furthermore, Medical Consultants attending the combined Medical Consultant/Teacher Practitioner Program as well as Teacher Practitioners, will spend an evening reviewing their client files with their supervisor (Comprehensive Case Review = CCR).

Venue of the course and accommodation :

The session will take place at the Guest House of the Benedictine Nuns of Montmartre who kindly welcome us:

Maison Ephrem
Basilique du Sacré-Cœur de Montmartre
35 rue du Chevalier de la Barre
