« Pure In heart »

"Pure In Heart" is an *Irish youth community* dedicated to living the true beauty of sexuality. We believe that sexuality is a gift to be treasured and respected, finding its full expression in marriage. This frees us to be the people we are created to be, to love properly with our bodies. This is the virtue of chastity.

Our work is to educate, inspire and empower young people to enjoy a healthy lifestyle by living chastity and abstaining from early sexual activity. We achieve this by speaking on love, relationships, dating, sexuality, and marriage in schools, at youth retreats, and at conferences around Ireland.
