Dates for Education Phase 2: March 10-15, 2007

- Tuition fees for 13 months
- Textbooks
- Client Teaching Materials to teach 18 client couples
- 3 Flights for Educators to come from USA to Ireland (1 educator for every 4 or 5 students)
- Accommodation and meals for each Educator for 20 days (EP1 and EP2)

Total : €4,500.00 Euro

Extra Costs

- Your Personal Travel Expenses to Galway, Ireland
- Your Personal Accommodation Costs (approx 25 Euro per night) for 10 nights in Sept 06, and 7 nights in March 07.
- Your “On Site Visit”,
 - Accommodation for 2 nights for visiting Educator
 - Travelling expenses for Educator from Ireland to another country (if required, for practitioner Interns living outside of Ireland).

Please note:

During training Teacher Practitioner Interns can charge a fee to client couples for instruction in charting techniques.

On average each client will pay 40 Euro per session and require 6 sessions, 6 x 40 = 240 Euro per couple.

For 18 couples the average income is 18 x 240 = **4,320.00 Euro**, during training.
