

CREIGHTON MODEL

FertilityCare Practitioner

**A Health Occupations Certificate Program of
St. Joseph School of Nursing, Nashua, NH**

TUITIONS AND FEES in US Dollars

You will pay St. Joseph Hospital \$25.00 application fee, \$2,750 tuition, \$550 books and materials fees.

You will pay the Pope Paul VI Institute approximately \$400. This includes an Introductory Session Presentation available in either slides or power point and teaching supplies for 18 client couples. The teaching supplies do not all have to be purchased up front and clients can be asked to pay for the supplies, this helps to replace the supplies for new clients.

In addition there are costs associated with an On Site Visit that will be conducted at the student's location during the second practicum. These costs include travel and hotel room for one night for the student's Supervisor and are payable at the time of the site visit.

When all the requirements for the FertilityCare Practitioner Education Program are complete the student will be eligible to take a national standardized final exam. There is an exam fee of \$50.00

A \$250 tuition deposit is necessary to receive textbooks and study guides and to reserve space for your entry into the program. This deposit is refundable until two weeks prior to the commencement date of the course with the return of textbooks that have already been sent to prospective students.

A payment plan of half of the tuition, \$1,375 payable on or before the first day of Education Phase I, and the remainder, \$1,375 prior to Education Phase II is available.

The Education Phases will be conducted in Galway, Ireland. For information on room and board, and to reserve a place, contact:

Dr. Phil Boyle, FCP, CFCMC
Suite 11,
The Galway Clinic,
Doughiska,
Co. Galway
